 **Restoring Your Heart®**

Restoring Your Heart is a ministry of Worldwide Discipleship Association, Inc.

Did you know?

Every person has experienced pain, loss, disappointment, and rejection. Many of us still carry it around with us, and our daily lives are affected by the unresolved emotions.

The ministry of Restoring Your Heart was developed to serve those dealing with unprocessed emotional pain, who want freedom from the issues still hindering their quality of life, growth (including spiritual), and relationships.

Join us for a one-hour webinar to learn how the Church plays a crucial role in the emotional and relational health of Christ followers, and how you can begin helping members of the church and community (or yourself!) heal from their emotional pain today.

Who is this webinar for?

- Church or lay leaders burdened for leading others toward greater emotional freedom
- Church leaders interested in establishing an RYH ministry in their church (or finding out more about RYH)
- People interested in helping others heal from emotional wounds
